

Construction table for wells in dairy land Rene Fuentes to: Lynch, Erin

Cc: Eric Winiecki, Michael Boykin, Sheila Fleming

12/18/2012 02:54 PM

Erin,

Take a look at the table and add data for HK-10 which we did not update before you left.

Eric,

Is this what you requested yesterday? Remember it is only draft until we all cross-check it.

We are now at CD-01 and starting to drill with the 8 inch casing. More later if there is anything to talk about.

Well Construction Plus.xlsx
